**JOHN JAY
ASSOCIATES**

2023-24 ANNUAL REPORT

THANK YOU

Dear members of the John Jay Associates,

Thank you for your incredible support of Columbia College during the 2023–24 Fiscal Year. **The transformative undergraduate experience that is offered on our campus would not be possible without the commitment of donors like you.** I am sincerely grateful for your generosity and dedication to the College.

I hope you enjoy reading the 2023–24 John Jay Associates Annual Report and reflecting on the collective support of this remarkable group. Alumni, students, parents and friends from around the world came together to invest in the College’s priorities — the Core Curriculum, need-based financial aid, research and internship stipends, student life initiatives, global opportunities and so much more. Thank you for being a part of this incredibly important effort.

This report also highlights some of the students whose undergraduate experiences have been enhanced by your generosity — students who are taking advantage of all that Columbia has to offer and preparing to make a difference in the world.

Thank you again for your investment in the College and for being a member of the John Jay Associates community.

Sincerely,

Amber Juarez Migdal
Senior Director of Donor Relations

This generosity is transformative for the student experience.

COLUMBIA COLLEGE FUND

1,275 John Jay Associates made a gift to the College Fund. Some of these donations were unrestricted, so they could be used where they were needed most, and others were directed to the Core Curriculum, financial aid, internships or student life.

Core Curriculum

The Core offers an enriching liberal arts education that is rooted in active learning and interdisciplinary inquiry. It fosters thinkers who are inquisitive and well-informed citizens of the world.

Financial Aid

Financial aid enables countless students to access a world-renowned education. Need-blind admissions and full-need financial aid policies attract and support the brightest students regardless of their financial circumstances.

Internships

Opportunities outside of the classroom are crucial, allowing students to pursue transformative experiences that hone skills learned in the classroom and expand their professional networks.

Student Life

Wellness initiatives, community programming and other resources assist students on their journeys, helping students grow personally, as well as academically and professionally.

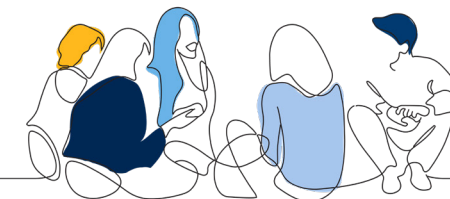

Columbia College Fund Scholarships

73 John Jay Associates provided targeted support to students by giving to the College Fund Scholarships:

- Black Alumni Council Scholarship
- Columbia College Pride Scholarship
- Columbia College Women Scholarship
- LAACU Scholarship
- Young Alumni Scholarship

Endowed Support of the College

More than 140 John Jay Associates made gifts to endowed funds, providing a permanent source of funding for students today and in perpetuity. Members invested in more than **100 endowed scholarships** and nearly **20 endowments** that support the Core Curriculum, entrepreneurship, internship and research opportunities, global programs and so much more.

2023-24 STUDENT IMPACT

The generosity of **John Jay Associates** helps Columbia College offer a transformative undergraduate experience. At the College, students are able to explore their academic interests, take advantage of meaningful opportunities, and grow in a diverse and vibrant environment.

MAURICE CHAKOUR CC'27

2024 recipient of the Villarreal Family Internship Fund

"This experience at UF Health Jacksonville not only deepened my understanding of biochemistry but also taught me important lessons about the research process, problem-solving and collaboration within a professional lab environment. **This internship has reaffirmed my passion** for pursuing an M.D.-Ph.D. program and has provided me with a strong foundation to continue my academic and professional journey."

Elpidio R. Villarreal CC'82, P: CC'13 established the **Villarreal Family Internship Fund**, a current-use fund, in 2024 to support summer research and summer internships at non-profit organizations. His fund helped seven students pursue enriching and transformative opportunities in New York, Florida and Massachusetts in 2024.

COLIN DAVIS CC'25

"**Financial aid means I get to be here.** In no other way would I be able to participate in various research projects, experience New York, participate in multiple clubs, go to interesting and groundbreaking seminars, and just be a student at Columbia if it weren't for financial aid."

CLAIRE DE LA ROCHE

"**The Core Curriculum has been key in my own intellectual and personal growth, exposing me to texts and works of art I would otherwise know little or nothing about.** I always think that if I simply pursued my major and my major alone, my college experience would have been much less rich. The Core classes I've taken have challenged me to understand dense philosophical texts, sharpened my ability to convey my ideas through writing and allowed me to cross paths with people I would never have otherwise."

2023-24 STUDENT IMPACT

ELLA ROSELLI CC'25

2024 recipient of the Heinrich Family Global Fellowship

"This summer was an exciting step in my journey to become an astrophysics professor and researcher. I was incredibly lucky to find a supportive, encouraging research group at the University of Padua who enabled my project. Without the Heinrich Family Global Fellowship, **I wouldn't have been able to pursue this opportunity which has further instilled in me such passion and excitement for my future career.**"

George F. and Debra S. Heinrich TC'84, TC'84, TC'22, P: CC'13, CC'16 established the **Heinrich Family Global Fellowship**, an endowed fund, in 2015 to support international research and internship opportunities. It has supported 22 students since its inception, funding opportunities in Switzerland, France, Germany and more. As dedicated supporters of Columbia College, they are long-time members of the John Jay Associates and Parent Leadership Council. In the spirit of enhancing educational opportunities, the Heinrichs are proud to support exceptional students at the College.

George and Debra with sons Andrew Heinrich CC'13 and Marc W. Heinrich CC'16.

ALEX WILDFANG CC'25

"My personal favorite experience at Columbia College has been getting to be involved with volunteer programs through admissions. As a member of the Rural Recruitment Committee as well as a Take Columbia Home Ambassador, **I have had the opportunity to talk to hundreds of rural and public high school students to encourage them to be able to apply.** The most rewarding experience was when one of the students I spoke to through the Rural Recruitment Committee recognized me on campus and said that they were loving it at Columbia and that I played a role in their decision making process."

2023–24 JOHN JAY ASSOCIATES

Columbia College is proud to recognize the dedication and leadership of the **John Jay Associates**. Members ensure that the College can offer the very best undergraduate experience to its students.
